I have not received your child support payment for April yet. I am often lax about this but I need you to start paying on time every month. My household expenses have gone up and I can't afford to wait until mid-month anymore.

I know when you get paid you don't have to prove it. let me look at my overall situation and see if I can make it work. I dont want to give you a hard time but I have to pay my bills on time. If it comes down to it I will need payment on the first of every month per our agreement. I will let you know right away.

Your late pickup yesterday

Created by: Elizabeth Johnson on 03/16/2016 at 10:12:24 AM

Elizabeth Johnson on 3/16/2016 at 10:12:24 AM said:

I just want to document what happened yesterday and see if you have any further explanation.

You showed up an hour late to get James which caused him to be late to practice which was very stressful for him. You did not notify me that you would be late, you had no real excuse, and I assume you just forgot.

 Robert Smith viewed this subject on 3/16/2016 at 10:12:30 AM

Robert Smith on 3/16/2016 at 10:13:00 AM said:

That's not true at all. I never said I forgot. I told you I got distracted with a major issue at work and time got away from me. i am aware of the stress it puts on james when either of us are late and you know I do not make a habit of it. I told James I was sorry about it and I shouldn't have to explain every little detail to you.

Elizabeth Johnson on 3/16/2016 at 10:13:26 AM said:

I don't need every little detail of your life but please try to let me know when you will be late for something and if you are late you could at least tell me why instead of just being a jerk about it.
